

OPERATION: **DIAPER DRIVE**

Donate Diapers for Refugee Babies and Toddlers

Hong Kong is home to 10,000 refugees from across the globe who have witnessed first-hand the horrors of war and other unthinkable acts of violence, their lives torn apart with little hope of returning home without serious risk of violations of their human rights including torture or even death. In Hong Kong, they are stranded without the permission to work, and they struggle to meet their basic needs.

Refugee babies and toddlers receive 2 reusable wash-cloth diapers as part of their assistance package from the Hong Kong government; however, the lack of facilities to wash and dry cloth nappies remains a major concern for hygiene in very cramped, unventilated, and ill-equipped rooms that many refugee parents are able to afford with their meager housing assistance of HK\$1,500 per month.

Each month, we provide up to 100 refugee babies and toddlers with milk and diapers to ensure their health, hygiene, and nutrition.

For as little as \$150 you can support a refugee baby or toddler with a month's supply of diapers and wet wipes.

HK\$150 buys diapers and wipes for 1 child for 1 month.

Make a difference by donating today!
