Latest Measures in Response to COVID-19

(updated on 7 April 2022)

To strike a balance between safeguarding public health and providing training to the public, the Employees Retraining Board (ERB) has announced that ERB courses in classroom face-to-face training mode, will resume from 11th April 2022 in a phased and orderly manner:

- a) From 11th April 2022 classroom training will resume, starting with those classes already in progress.
- b) From 25th April 2022 subject to pandemic restrictions in place, all classroom training will resume.

Therefore, our training services will then resume as well.

Limited services are now available for counter and screening services at all Christian Action's training centres, during office hours: Mon. to Sat. 8:30am to 5:30pm. Please visit our centres for enrollment during office hours.

Upon entering Training Centre reception, visitors are required to wear a mask and to have their body temperature checked.
